

Remote Learning

This is a resource repository for instructors and instructional administrators transitioning to teaching online in response to COVID-19. The repository will be updated as we learn new information.

Tips for Online Teaching & Learning

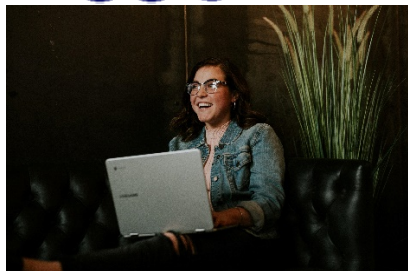

- **Best Practices: Online Pedagogy** (Harvard University)
- **Online Teaching Toolkit** (Association of College and University Educators)
- **Preparing Teachers and Students for Online Learning** (MERLOT)
- **Screencast-O-Matic Training PowerPoint and Video** (Kelly Staub, Weatherford College)
- **Tips for Instructors and Students Moving to Online Learning** (University of Illinois at Urbana-Champaign)
- **Tips for Learning During Disruption** (Rice University)
- **Do This, Not That Teaching Online**
-

Online Transition & Continuity

- **Get Online Fast** (Virginia Community College System)
- **Higher Ed Guidance During COVID-19: Teaching, Learning & Student Support** (submitted by Judith Sebesta, DigiTex)
- **Joint Response Regarding COVID-19 and Advice on Transitioning Face-to-Face Courses Online** (Online Learning Consortium, Quality Matters, University Professional and Continuing Education Association, and the WICHE Cooperative for Educational Technologies)
- **Quality Matters Emergency Remote Instruction Checklist** (Quality Matters)
- **Teaching Effectively During Times of Disruption** (Stanford University)

Free and Low-Cost Resources

For students

- **Adobe Creative Cloud** - Free temporary at-home access for students who log into Creative Cloud on campus
- **AT&T** - Internet access for qualifying limited income households for \$10/month
- **Charter Communications** - Free broadband internet for new customers in households with college students for 60 days
- **Comcast Internet Essentials** - Free internet service for new customers and free speed upgrade for current customers
- **EveryoneOn** - Search for low-cost internet service and computers by zip code

For colleges

- **Coursera for Campus** - Access 3800 courses on 400 specializations, including computer science, healthcare, and physical sciences and engineering
- **Top Hat** - Remote classroom engagement software

STEM Resources

- [Against All Odds: Inside Statistics](#) (Annenberg Learner)
- [American Association of Chemistry Teachers Resources](#)
- [American Chemical Society Virtual Chemistry & Simulations](#)
- [ChemCollective Virtual Labs](#)
- [Compilation of Organic Chemistry Resources](#)
- [LabXchange Biotechnology Concepts & Techniques](#)
- [MERLOT Virtual Labs](#)
- [National Science Teaching Association Virtual Labs](#)
- [Physics for the 21st Century](#) (Annenberg Learner)

 - [Virtual Biology Lab](#)
 - [Zygotte Body 3D Anatomy Online Visualizer](#)

Remote Support

This is a resource repository for college staff, faculty, and administrators providing support services to students online in the wake of COVID-19. The repository will be updated as we learn new information.

NC Resources

- **Aunt Bertha** – Search for free or reduced cost services like medical care, food, job training, and more on your NC Community College Campus
<https://nccommunitycolleges.auntbertha.com/>
- **NC 211** - A program of the North Carolina Health and Human Services Commission, 2-1-1 NC connects North Carolina citizens with the services they need.
- **NCCARE360** Statewide coordinated care network to electronically connect those with identified needs to community resources and allow for a feedback loop on the outcome of that connection.

National Resources

- **Google Voice** - Provides a phone number to use for calls with students
- **The Steve Fund** - Crisis Counseling for Students of Color
- **Beyond the Food Pantry: COVID-19 Response for Students Who are Homeless or With Experience in Foster Care**
- From the Hope Center: **Beyond the Food Pantry: Supporting #RealCollege Students with Caring Enrollment Management and Financial Aid Practices During COVID-19**
- **Beyond the Food Pantry: Supporting #RealCollege Students During COVID19**
